Dear Ed:

Now that our show is behind us - and the concensus is that it was great - perhaps we can do a bit for National Coin Week. We won't try to compete but should be able to get some exhibits out. If you have any of the exhibit cards left I believe they can be used in schools. We gave subscriptions to COINage to 15 junior high school libraries in the area and should get some cooperation from them.

The mayor has been asked to proclaim National Coin Week in Corpus Christi and I'm sure he will comply next Monday. The governor issued his proclamation and sent along a picture for the April TNA News. Of course, Gladys is doing more than humanly possible!

In the past no one in our club has been willing to accept responsibility for promotion but we have done something. I'll do what I can to push and to get what is done reported.

Cordially,

Norma Mather

P.S. I'm staying very busy - teaching every day along with other activities.
